Special News of Boys' Overcoats.

Our sales of Boys' Overcoats and Reefers last fall and winter was something enormons.

It was as much as we could do to keep the supply equal to the demand.

So far this season the business promises to be even greater than that of the last fall and winter 4 season. And we are excellently equipped for it with a most complete and satisfying stock—one that in point of magnitude, variety, and choiceness has no peer in Washington.

Here Are a Few Specials:

At \$4.50. Overcoats of Oxford frieze, long cut; lined with Italian cloth. For ages 3 to 16 years.

At \$5.00. Overcoats of Blue and Oxford frieze; lined with Italian cloth. For ages 3 to 16 years. Well worth \$6.75.

At \$6.00. Overcoats of Blue and Oxford trieze and blue kersey; lined with serge or Italian cloth. For ages 3 to 16 years. Good value at \$8.00.

Special attention is directed to our line of Yoke Overcoats, for boys of 8 to 16 years. Made of choice fancy overplaid frieze and cheviot. Lined with heavy farmer's satin. Cut long and full and on the same lines as our Men's Yoke Coats, thus assuring that tailor-like and graceful effect.

\$8.00 and \$10.00.

Reefers for boys of all ages, from 3 to 16 years. Made of chinchilla and frieze. Lined with Italian cloth or fancy plaids.

\$4.00 to \$10.00.

\$5 Double-breasted Suits, \$3.98.

Of Blue and Black Cheviots-also Fancy Cheviot and Cassimeres. Guaranteed strictly all-wool goods-with linings and trimmings of best quality. Pants have double seats and knees, and are warranted not to rip. The equal to these suits can't be bought anywhere for less than \$5.00. Our special Saturday price is \$3.98. For ages 7 to 17 years.

Norfolk Jacket Suits, \$5.00 to \$8.00.

The Norfolk Suit is very stylish and popular this season. We show a very large line of them of select patterned cassimeres and cheviots; also plain materials. For ages 5 to 16 years. Prices \$5 to \$8.

Recovers Despite Cut in Dividend.

NEW YORK, Nov. 1.-The Stock Marat a lower range of prices than that which prevailed at the close of business yester-day. The trading developed no features of special interest in the early dealings. day. The trading developed no features of special interest in the early dealings. The announcement of the reduction in the dividend on Glucose Sugar Refining common, had no further effect on that stock, which, indeed, enjoyed a pronounced raily. Amalgamated Copper continued active and weak, and Prople's Gas reflected moderate pressure. Consolidated Gas was steady on light transactions.

In the railway list the active features were St. Paul, Union Pacific, Baltimore and Ohlo, and Pennsylvania. The local traction stocks were comparatively dull. The London market was closed over the hank holiday at that point, so that no influence was exerted from that direction. The announcement late yesterday afternoon that the Secretary of the Treasury would resume purchases of Government bonds, with a view to alleviating money market conditions, while received with satisfaction, produced no Special effect upon the market. It was commonly expected that tomorrow's bank statement would show a large reduction in surplus reserves, and the ideas in this respect served to hold trading in check.

Before noon there had been some recovery from the first weakness, and the kideas in this respect served to hold trading in check.
